The organizer has the right not to accept more than 100 entries.

ARTICLE 6: RACE

6.1 STARTING POSITIONS AND RACE START.

Motorcycles will be the first to start the race. The first Stage start order (Introduction) will be decided by the Clerk of the Course. After 1st Stage, the start order will be set by the classification of the previous Stage, direct order for all, or opposite order for the 10 top riders, and normally for the rest riders.

After each other Stage, the start order will be set by the classification of the previous Stage, motorcycles will be first.

6.2 ROUTES AND TRAFFIC

The race will take place on roads open to public traffic of other vehicles. Competitors are required throughout the race to obey the National road rules and the maximum permissible speed set by them, and should show proper attention to regular users of the road. Especially for vehicles passing through residential areas, a designated maximum speed limit of 30km/h or 50km/h, unless the local road codes and signs provides lower limit. In each case, the penalties can reach up to and exclusion from the race. The route control and speed control will be checked by GPS tracking system, and will be monitored during and after the race, competitors routes will be checked for any violations.

6.3 VEHICLES ARRIVING TO THE START AREA

Vehicles must be presented at the start area, 20 minutes before the start of the race; otherwise, the organizer may fill the position with another crew or competitor and will not be given permission to start. In this case, the crew, which did not appear at the start area, can be excluded from the race or stage.

6.4 SELECTED ROUTES AND TIMED ROUTES

Selected routes and timed routes of the race will take place on roads open to the public traffic. The Average Speed on all special regularity routes is not greater than 50 km / hour.

On regularity specific routes that will take place on roads OPEN to public traffic, speed limits are set by the National Road Codes and SHOULD BE FOLLOWED at all times, even if the average speed set by the organizer is greater.

The crews must finish the regularity route without stopping (except for unforeseen events), following the Average Speed of the special stage, given by the organizer.

The organizer, in his discretion, shall designate intermediate timing points at check points.

The average speed for the precision timed routes may be announced before the start of the race.

6.5 MISSED CHECK POINT PENALIES (CP)

Missed Check Points Penalties. The penalty for missing a check point (CP) is set at **30'** minutes for each violation. The Clerk of the Course, and under confirmation of the recorded tracks of the participants, can change the penalty.

6.6 SPECIAL STAGE PENALTIES

Special stage penalties will result from the total time on special stage. In the Special Stages with Regularity resulting from the deviation from the ideal time for each category.

6.7 PENALTIES 2023 STAGES

2023 Stage times are provisional times for motorcycles and Quads and are NOT strictly proportional to the early arrival, but only for late arrival, i.e. 1 minute penalty for every minute late arrival.

A penalty is considered as a late start of each day, stage, or 2023 stage, in relation to the scheduled time set by the organizers. The starting times of both 2023 and Special stage will be strictly on time and without delay, by 1' minutes procedure for the 10 first riders, and 1' or 30" for the rest riders.

6.8 PENALTIES FOR SPEED LIMITS SPEED CONTROL ZONE

In the zones defined as Speed Control Zones, the speed of the riders, in the Road Sections as well as in the Selective Sections, will be limited to 30, 40, 50, 70 or 90 km/h. Moreover, it is the responsibility of the rider to adapt his speed to the local population and the traffic.

These zones will be marked on the road book by a box marked DZ (start of the zone), a FZ box (end of the zone) and the maximum speed allowed. The absence of indicating signs for speed cannot give cause for protest.

Overtaking is authorized, on condition that the maximum speed authorized in the zone is not exceeded.

Speed controls will be done by means of the GPS Tracking. In a Speed Control Zone, if the speed limit is exceeded, a signal can appear on the GPS Tracking screen to indicate excess speed with a recording of this.

A Speed Infringement (SI) is made when the maximum speed is exceeded once or several times in the same Speed Control Zone.

The second Speed Infringement will be when speeding once or several times in another Speed Control Zone. The Number of Speed Infringements (NSI) will be added during the event. From the second offence and for all the following, each pulse signal (IMP) will be penalized as follows:

The controls will be ordered by the Clerk of the Course or the FIM International Jury and executed by a GPS technician in the presence of an official or a Judge of facts.

The Jury can give a disqualification if the relapse of speeding is considered intentionally.

6.9 OTHER PENALTIES (just for example)

The Clerk of the Course of the course take into account, the penalties set by the General Regulation Rally or penalties set by the General Regulation after agreement with the Stewards may impose penalties that can reach as far as exclusion from the race.

- If rider or crew calls for help via mobile phone for direction assistants, the penalty is 15' minutes. If one or

more calls are made, the maximum penalty is set, assuming that the competitor has not completed the special stage.

- The penalty for a competitor who does not complete the special stage is: the kilometers of the special stage he did not cover in minutes, +last rider's time. (i.e. If the riders retired at 240km of the Special Stage 300km, he receive 60' minutes +the time of the last rider.)
- The maximum time or maximum penalty for the competitors who have completed the special stage, + time penalty equal with the length of the special stage in kilometers in minutes (SS=100km, penalty =100minutes). In any event, competitors who do not complete a specific or 2023 stage cannot be classed over competitors who have completed all the stages, even though their total time is seemingly smaller.
- The penalty for a competitor who does not complete a 2023 stage is: The maximum time or maximum penalty for a competitor who has completed a 2023 stage, + time penalty equal to the 2023 ideal time.

6.10 ONTIME LIMITS IN THE RACE (just for example)

The on-time position of the race is set to every day limits from the organization. If a competitor has a time larger than the set time in a CP or TC, he is automatically out of the race, accepting the penalties, so they can continue to the next Stage. The organizers may modify the out of race time at any time upon proposal to the C.o.C. of the race, especially if the delay has come from a CP or TC before the middle of the race. Meaning the delay in the first TC cannot be over 30 minutes, over 1 hour for the second TC, etc. cars that exceed these times in a Stage, can start the next Stage, with corresponding penalties from the stage that was not completed.

6.11 GPS TRACKING (just for example)

Trajectories of vehicles are monitored by satellite tracking – recording systems by **MYTRACK**. They are able to calculate the correct route of the race, any violations of speed limits, stopping of the vehicle due to technical problems, and any delays due to unforeseen events: as e.g. a blocked path, providing help in case of an accident, etc. In such cases, the Race Director may decide to remove the particular delay from a crew, when it is proven that the delay was due to an unforeseen event or foreign assistance in case of injury of another competitor.

6.12 TIMEKEEPING

The timekeeping system in the Special Stages will be done by photocells and TAG Heuer Clocks – and there will be Live Results continually.

6.13 EARLY ARRIVAL

Early arrival is allowed on the 1st liaison stage, or in the last liaison stage at the end **of each stage** of the race. It is not allowed for the rest of the liaison stages, unless the organizer decides for motorcycles riders, for safety reasons.

6.14 FINAL STANDINGS

The final classification in Greece Rally, will include the addition of all the penalties from Special Stages and Liaisons, as ONE race, and not adding point classifications of the 5 stages. **There will be also a classification day per day for all the Categories and Overall.**

ARTICLE 7: SPONSORSHIP

Organizer keeps the right to put stickers on participants' vehicles. If the competitor does not want it, must pay double entry fee.

ARTICLE 8: TROPHIES

There are cups for the 1st, 2nd and 3rd in every category. All participants who will finish the race will take medals or diplomas. Cups for classes winners in motorcycles. Cups for overall winners in motorcycles. The organization may give extra cups as it likes.

ARTICLE 9: PRIZE GIVING CEREMONY
